# SPECIAL EVENT PERMIT

## Insurance Requirements

At the discretion of Sandy Risk Management, an applicant for a Special Event Permit may be asked to possess or obtain special event commercial general liability insurance. The policy must protect Sandy City Corporation, the applicant, and anyone directly or indirectly employed by either of them. The insurance must provide coverage for premises operations, acts of independent contractors, and completed operations during the event time period. The event time period includes the date(s) of the set up, scheduled event, take down and clean-up operations. The coverage must be indicated on the certificate of insurance as "Special Event" coverage in the "Description of Operations" or the insurance company must supply the City with the original insurance policy evidencing the "Special Event" coverage.

Evidence of the required insurance must be provided to Sandy City no less than fourteen (14) days before the event set up date. The event permit may be cancelled if the City does not receive such evidence by that deadline. It is the applicant's responsibility to see that their insurance company/agent receives the proper instructions and forwards the proper evidence of insurance to the City by the deadline.

### INSURANCE REQUIREMENTS:

- 1. Minimum coverage of \$2,000,000 per occurrence with a \$3,000,000 general aggregate.**  
If governmental immunity limits are subsequently altered by legislation or judicial opinion, the applicant must provide a new certificate of insurance within 30 days after being notified thereof in writing by the City, certifying coverage in compliance with the modified limits or, if no new limits are specified, in an amount acceptable to the City.
- 2. The insurance must be issued by an insurance company licensed to do business in the State of Utah and either:**  
(a) currently rated A- and a rating of IX or better by A.M. Best Company; or (b) listed in the United State Treasury Department's current "Listing of Approved Sureties" (Department Circular 570), as amended.
- 3. The policy or endorsement must name as an additional insured Sandy City Corporation, its officers, employees, agents, and as required, any other public entity involved in the event. The date and title of the event must be clearly stated.**
- 4. If any work for the event is subcontracted to a separate company, the applicant must require the subcontractor to provide special event general liability insurance, with the City as an additional insured, in the required amounts.**
- 5. The certificate and policy must provide that coverage shall not be cancelled or modified without providing 30 days prior written notice.** (10 days in the case of failure to pay premiums) to the City in a manner approved by the City Attorney.
